To Whom It May Concern:

Please be advised that Tina LaSpina has served as Anne Rice's professional make-up artist for the past six years. She has made-up Ms. Rice for appearances on the Today Show, Good Morning America, Larry King, and other national and international appearances. She has also done the make-up for Ms. Rice's still shots that have appeared nationally and internationally.

We have found Ms. LaSpina to be very dependable, professional and a true artist at her craft. We will continue to utilize her services and I have complete confidence in recommending her to other artists.

Sincerely,
